VDO FLEET SERVICES

The digital platform for your fleet

From obligation to added value

With VDO Fleet you don't just fulfill legal obligations – you control your fleet more smartly, more efficiently and more transparently. VDO Fleet offers you an intelligent platform with modular services: easy to use, flexibly adaptable and expandable at any time.

The main functions of VDO Fleet

/ **Data storage:** lawful handling of tachograph and driver card data
/ **Archiving control:** overview of all mass storage and driver card downloads
/ **Personnel management:** digital reports with driving times, rest times, infringements, card and driver's license validities, automated driver letters
/ **Dispatch:** live data on vehicle position of the fleet (Track & Trace) and on driver availability
/ **Vehicle management:** status, trip histories, mileage readings
/ **Infringement analysis:** automatic detection of infringements and analysis by driver and vehicle

/ **Deadline monitoring:** reminders for service appointments, calibration deadlines, card expiry, automated driver letter feedback
/ **Documentation:** PDF reports, DDD data, CSV exports for authorities and internal audits
